Bishop's Message

"If we wish to serve God and love our neighbor well, we must manifest our joy in the service we render to Him and them. Let us open wide our hearts. It is a joy which invites us. Press forward and fear nothing." Pope Francis

Every time The Seva sangama reaches out to the vulnerable and downtrodden of society, I feel the above message of Pope Francis is finding its way. The service that gives joy to humankind is its reward. Jesus Christ says "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.". Due to a lack of awareness and social stigma of Deafly Development Children are neglected in society. As you are venturing into this challenging field through the Early Intervention Program we could perceive a drastic change in this society.

As the Word "Seva Sangama" denotes the culmination of all Service, I wish that the women, children, and weaker sections of society may incessantly benefit from the service of your hands. I also appreciate your intervention in uplifting the scale farmers, creating Cancer Awareness in villages and educating the people on the Indian constitution, Working for Delay development of Children, training youth in various skills, and so on. Even after 75 years of Independence, we need to reach out to those areas where the light of hope is yet to touch the lives of many people.

The road to Our Hopes for the Future is not a straight line, and we will surely encounter changing social environments and individual values along the way. Amid change we will remain steadfast and keep moving forward, understanding that Our Hopes for the Future await. We will continue to focus on sharing awareness and bringing harmony to the cosmos.

I would like to thank Fr Victor Vas and his whole team for their tireless work to actualize the vision of the institution, The change we see today became possible only by the backing of our National and & International Donors and Well-wishers and the support of State and District Administration.

I take this opportunity to thank one and all with the assurance of my prayers. Let us joyously serve God and love our neighbor.

Yours sincerely

+ Robert Miranda
Bishop of Gulbarga

Director's Message

Seva Sangama has been an instrument of transformation, involving itself in the lives of people and the environment, through impactful development activities in Bidar, Kalaburagi, Yadgir, and Vijayapura, since 2006. I feel proud and happy to present this annual report at this juncture. This is the fruit of the commitment and hard work of all our staff and volunteers. I express my gratitude for their invaluable contribution towards uplifting the needy and protecting the environment.

During the reporting period, Seva Sangama has reached out to thousands of people through its various programs. Women Federation across Kalaburagi Talukas, thus making a real impact in the lives of rural women at the grassroots level. The differently-abled have taken the mantle of leadership upon themselves to be identified and recognized in the society, and have not left any opportunity to mainstream themselves. Children with delayed development are helped with various ways to get a better future. Reaching out to cancer patient has brought light in many families.

Growth comes from self-realization and development is realized through resources. Seva Sangama has helped people realize this and march towards growth and development. We have also collaborated with the government and other like-minded organizations, fostering trust and commitment to accelerate growth and development.

This report throws light on our development activities and the impact, achieved during the year 2022-2023. I thank the president, Governing Board members, staff, government departments, and collaborators for helping us in taking our mission forward. I especially thank our benevolent donors, whose continued support helps us include the excluded of our society. Its, and all our beneficiaries for their cooperation in being the change they desired.

Fr. Victor Anil Vas
Director Seva Sangama

ABOUT SEVASANGAMA

Who we are?

Sevasangama Development Society is a non-profit, secular, voluntary, social and developmental organization committed to the cause of serving the marginalized and excluded in the society through various targeted and sustainable interventions. It was established in the year 2006 with aim of catering to the needs of the poor and the needy, primarily in the Diocese of Gulbarga. Down the years Sevasangama in association with its sister organization ORBIT (Organization of Bidar Integral Transformation) has stretched its wings in Bidar, Kalburgi, Yadgiri and Bijapur catering to the various issues of women, men, children, farmers, people living with disability, people living with HIV/AIDS and so on. Blessed by a committed management and staff Sevasangama with passion for service is instrumental in restoring the lost dignity of many.

Our vision:

A Transformed Society based on equality, Justice and Love.

Our Mission:

To facilitate the empowerment of the most marginalized through participatory development, capacity building and collaborative actions leading to self-reliance and social dignity.

What we do?

Under the blanket of Social Developmental Service we take up Programs that facilitate the growth of the needy in Physical, Social, Economic, psychological level along with promoting environment and care for mother Earth.

Our Projects:

- UJJIVANA – Promoting Sustainable and Climate Adaptive Farming.
- EI & EE - Early Intervention and Early Education
- SPARSHA –Cancer Campaign; Instilling Hope
- PAUSTIK- Resilience to Malnutrition/Nutrition program
- WEP - Women Empowerment Program/ JJM – Janjagruthi Manch
- WME - Women in Micro Enterprise/ Samruddi
- CBR - Community Based Rehabilitation program
- Evening Tuition Centers for slum dwellers' children

UJJIVANA PROJECT PHASE III

Ujjivana Project Phase III: With the financial support of Miserior, Germany, Sevasangam implements the said project since January 2022 in 10 villages of Gulbarga taluk with the aim of empowering the small land holding farmers (5 acres) and to motivate the farmers to adopt modern agriculture practices and climate resilient agricultural practices. It envisages also providing technical support to eligible small land holding farmers to access various agro-based government schemes and benefits. During the present project period November 2022 to January 2023, we have mobilized various government agricultural schemes for small land farmers in the followings.

EVENING TUITION CENTRE FOR SLUM CHILDREN:

With the financial support of GDES, Sevasangama has implemented this project in 5 urban slums of Gulbarga. During this reporting period, we have established 5 evening Tuition Centers consisting of 145 children from 1st standard to 10th standard enrolled. The actual conditions of children in slums are at risk whose parents are daily wage workers hence, cannot pay any individual attention to their

children's education as well as their personal growth. At that crucial situation, the project aims at providing holistic and extra coaching support these vulnerable children in urban slums. Under this project, we have motivated all these children to take part in extracurricular activities like; national and international celebrations, competitions, games and sports, the winners are appreciated and awarded with suitable prizes.

ACTIVITIES AND ACHIEVEMENTS:

- The slum children are motivated to take part in various extracurricular activities /competitions and conduct the following; like Speech competitions, Drawing competitions, Dance competitions, Singing competition, Quiz competition, Weekly/Monthly internal assessments, games/sports and other activities and 1410 of them have participated; 18 children received prizes for their best performance in the academics, 16 children secured the prize for Speech competition, 20 children got the prize for drawing Competition, 12 children were given prize for singing competition, 28 children who were awarded for dance completion and 7 groups were Awarded for the overall best performance.

Robert Michael Miranda also were present and Bishop while speaking on the occasion, said that we are very happy that people in the universe are now a little relaxed and at peace as Covid-19 effects are lessened. That's why we are very happily celebrating Christmas and thanking the Lord. Christ the King of peace has born to spread the ever-loving Father's Grace and hope for us. He urged everyone to celebrate Christmas this year with all and share true joy and love which was also a lesson we learnt from Covid-19 and wished happy Christmas and prosperous New Year 2023 for all and he invited all to make Christmas celebration a unique and more meaningful one.

Goa trip - A family that works together stays united and sustains:

On 27th and 28th February, 2023 ORBIT, Humnabad and Sevasangama Development Society, Kalaburagi jointly organized a Goa tour for all staff. It was a very interesting and joyful moment for all of us. All the staff relaxing days in Goa. It was the day to share, ventilating certain stress and relaxing moments. The trip made us more united as one family and energized to work together as one team and family for the organization's

programs. Thanks to the director for organizing such a wonderful trip.

International women's day celebration: Theme: "Innovation and technology for gender equality".

"Do not limit Women's Day to A Single Day"..... Women and men should get equal wages, abortion and child marriages are crimes and punishable, call 1098 to prevent child marriages and stop exploitation against women, said Ms. Geetha, the high court advocate. She addressed the

participants gathered at Kalburgi Kannada Bhavana on account of the international Women's Day programme jointly organized by Sevasangama Development Society, Karnataka Domestic workers Union, and Slum Janandolana district unit on 13th March 2023. She said that woman means – completion, productivity, care, and support. We need to give more importance to women's empowerment and by honoring the women achievers; we have to encourage them to become empowered in society.

Rev. Fr. Santhosa Dias, the parish priest of St. Mary's church, said that since 2006, the Seva Sangama organization has been working for the empowerment of women. Over the years, by organizing them seva Sangama organization works towards the protection of their rights and building an enabling environment to protect also the world peace.

Fr. Santhosh Bapu the director of St. Mary's school, Alanda also spoke on the occasion and encouraged women to give importance to education, and gender equality in this digital and technological age.

During the programme, 10 women achievers were specially facilitated for their achievement. Totally 180 women took active participation in the international women's day programme.
